## **TRIBAL SUB-PLAN**

After the formation of the new State of Telangana on the 2<sup>nd</sup> June, 2014, the State Government has attached top-most priority for the development of Scheduled Tribe population in the State, which accounts for 9.08 per cent of the total population (as per 2011 census), which is significantly higher compared to the percentage of 6.99 STs in the erstwhile combined State. Innovative schemes like Kalyana Lakshmi for financial assistance to ST girls of marriageable age, branding of medaram jatara as international indigenous tribal festival apart from infrastructure support by way of strengthening infrastructure in ITDA areas, construction of Girijan bhavans/ community halls and working men/womens hostels for STs in district headquarters have been planned by the Tribal Welfare Department. As per the provisions of the Scheduled Castes Sub Plan and Tribal Sub Plan Act, 2013 while preparing the Annual Plan for 2016-17, necessary care has been taken to ensure earmarking of required funds for Scheduled Tribes Sub Plan, the details of which are given in this volume, department-wise.

The total plan outlay for the year 2016-17 is Rs.67630.73 cr. The outlay of the TSP is Rs.6171.15 Cr i.e., 9.12% of total Plan Outlay of the State.

## **ECONOMIC SERVICES**

### **I. Agriculture and Allied Services**

#### **Agriculture**

An amount of **Rs.11993.71 lakhs** is proposed under TSP in the budget estimates of the financial year 2016-17, for implementing various agricultural programmes of the department under NSP and CASPS. A BE of **Rs.7866.84 lakh** is proposed under NSP and a BE of **Rs.4126.87 lakhs** under CASPS.

The following schemes are implemented under NSP.

#### **1. Assistance to small and marginal farmers towards crop insurance scheme:**

The main objectives of the scheme are to provide a measure of financial support to the farmers in the event of crop failure as a result of drought, cyclone and incidence of pest & diseases etc.

An amount of **Rs.1305.50 lakhs** under TSP is proposed to meet the State Share of Crop Insurance claim liabilities, upfront premium subsidy and Administrative Expenses for Weather Based Crop Insurance Scheme & National Agriculture Insurance Scheme during 2016-17 for implementation of the programme.

#### **2. Farm Mechanization:**

The main objective is to reduction of drudgery associated with various farm operations and also economizes the utilization of inputs and thereby harnessing the potential of available resources.

An amount of **Rs.3178.00 lakhs** is proposed under TSP during 2016-17 for implementation of the programme.

### **3. Supply of Seeds:**

The budget provided under this scheme is being used for supply of certified / quality seeds to the farmers on 33% subsidy along with the funds released under Central Scheme.

An amount of **Rs. 308.94 lakhs** is proposed under TSP during 2016-17 for implementation of the programme.

### **4. Development of Crop colonies & Soil Water analysis**

It is proposed to organize training programmes to the young farmers for attracting them towards farming and on integrated farming by each FTC so as to develop crop colonies and also to strengthen the soil testing lakhs.

An amount of **Rs.97.14 lakhs** is proposed during 2016-17 for the implementation of the scheme.

### **5. Pavala Vaddi:**

The scheme is aimed to mitigate the financial burden of the farmers. Pavala Vaddi scheme is being implemented @ 1% Rate of Interest on crop loans from Rs. 1.00 lakh to 3.00 lakh. An amount of **Rs.224.16 lakh** is allocated for the scheme.

### **6. Interest free loans to farmers(Vaddileni Runalu):**

An amount of **Rs.2033.92 lakhs** under TSP is proposed under Vaddi Leni Runalu @ 4% Rate of interest on crop loans up to 1.00 lakh.

### **7. Strengthening of Seed Chain**

An amount of **Rs. 233.50 lakhs** is proposed under TSP for organizing Breeder / Foundation / certified seed production of all

Crop seeds, along with Strengthening of processing units and other infrastructure Development.

## **8. Market intervention fund:**

An amount of **Rs.485.68 lakh** is allocated for the scheme.

### **Schemes under Centrally assisted state plan schemes:**

Based on the recommendations of Niti Ayog Panel of Chief Minister's headed by Chief Minister of Madhya Pradesh, Sri Shiv Raj Singh Chauhan, the Centrally Sponsored Schemes have been restricted, merged and brought down from 72 to 27 schemes keeping in view of the Tax devolution to States from 32% to 42% in the Financial Year 2016 – 17 and broadly classified into 3 categories based on funding pattern.

- A) Core of the core schemes (100% Financial Assistance)
- B) Core Schemes (60: 40 Central and State)
- C) Optional Schemes (50: 50 Central and State)

The Department of Agriculture & Cooperation is implementing following Centrally Sponsored Schemes (CSS).

## **9. National Food Security Mission (NFSM):**

The main objective of the scheme is to increase production of rice, pulses, coarse cereals i.e. maize, Jowar, Bajra, Ragi Korra & Sama and commercial crops i.e. cotton & jute through area expansion & productivity enhancement in a sustainable manner, reduce the cost of cultivation, restoring soil fertility and productivity at the individual farm level, creation of employment opportunities and Enhancing farm level economy i.e. farm profits to restore confidence amongst farmers.

The funding pattern would be in the ratio 60:40 between Center and State. The components under NFSM are NFSM- Rice, NFSM - Pulses, NFSM - Coarse Cereals - Maize, NFSM - Commercial crops-Sugarcane

An amount **of Rs.761.84 lakhs** is proposed under TSP in the budget 2016-17 for implementation of this mission.

#### **10. National Mission on Oilseed and Oil Palm (NMOOP):**

The main objective of the scheme is to increase the production of vegetable oils sourced from oilseeds, oil palm and tree borne oilseeds.

The funding pattern would be in the ratio 60:40 between Center and State. The components under NMOOP are NMOOP-Oilseeds and NMOOP-Oilpalm which support the farmers by providing different inputs at subsidized rates such as purchase of breeder seed, production of foundation seed, certified seed, certified seed distribution and supply of production inputs and also by providing area expansion inputs such as supply of planting material, cultivation and maintenance cost, production input components and transfer of technology inputs components.

An amount of **Rs.143.12 lakhs** is proposed under TSP in the budget 2016-17 for implementation of this national mission.

#### **11. National Mission on Agricultural Extension & Technology (NMAET):**

The main objective of the scheme is transfer of technology and efficient input management for better production. It is important to

disseminate information about new technologies, so that the farmer is able to make use of the latest agricultural developments.

This mission is implementing with 3 sub-missions namely i) Sub mission on Agriculture Extension, ii) Sub mission on Seed and Planting Material, iii) Sub mission on Agricultural Mechanization.

**i. Sub mission on Agriculture Extension (ATMA):** This scheme is being implemented with the sharing pattern of 60:40 between the centre and state. The main objective is to revitalize the Agricultural Technology Generation, Assessment, refinement and Dissemination Systems duly developing an efficient, effective, demand driven, research integrated and financially sustainable public extension system.

**ii. Sub mission on Seed and Planting Material:** This scheme is being implemented with the sharing pattern of 60:40 between the centre and state under different activities. The main objective is to supply of quality seed to farmers in time at their places at affordable prices besides ensuring quick multiplication of new seed varieties in a shorter time.

**iii. Sub mission on Agricultural Mechanization:** This scheme is being implemented with the sharing pattern of 60:40 between the centre and state under different farm implements. The main objective of the scheme is to improve the farm power availability per ha there by reducing the cost of cultivation.

An amount of **Rs.217.50 lakhs** under TSP is proposed in the budget 2016-17 for implementation of this mission i.e. NMAET.

## **12. National Mission on Sustainable Agriculture (NMSA):**

Govt. of India provides financial assistance for implementation on a mission mode through Rainfed Agriculture Development Programme, Soil Health Management and on farm water management during 2016-17 for strengthening of soil testing facilities and provide soil test based recommendations to farmers for improving soil fertility and economic return to farmers. The scheme also aims to provide financial assistance for upgrading and setting up of STLs/ Fertilizer Testing Laboratories and various activities for promoting balanced use of fertilizers.

There are three sub schemes under this national mission.

- i. Rain fed agriculture Development (RAD)
- ii. Soil Health Management
- iii. Soil Health Card (SHC)

In total, an amount of **Rs.511.09 lakhs** under TSP is proposed in the budget 2016-17 for implementation of this mission (for all three components).

## **13. Rashtriya Krishi Vikas Yojana (RKVY):**

Rashtriya Krishi Vikas Yojana (RKVY) an additional Central Assistance scheme (60% grant by GoI) intended to develop Agriculture and Allied Sectors in holistic manner to achieve 4% annual growth. The RKVY funds would be provided to the States as 60:40 grant by the Central and State Government.

To implement RKVY projects with an outlay of **Rs. 2450.24 lakhs** during 2016-17.

#### **14. Pradhan Manthri Krishi Sinchai Yojana (PMKSY):**

The main objective of the PMKSY is to achieve convergence of investments in irrigation at field level and enhance the physical access of water on the farm and expand cultivable area under assured irrigation. PMKSY will focus on end-to end solution in irrigation supply chain, viz. water sources, distribution network, efficient farm level applications, extension services on new technologies & information etc,. Broadly, PMKSY will focus on the following:

Creation of new water sources, repair, restoration and renovation of defunct water sources, construction of water harvesting structures, groundwater development, enhancing potentials of traditional water bodies at village level, Developing/ augmenting distribution network, promotion of scientific moisture conservation and run off control measures to improve ground water recharge, promoting efficient water conveyance and field application systems within the farm viz, underground piping system, Drip & Sprinklers, pivots, rain-guns and other application devices etc., efficient water and crop management practices to achieve more crop per drop of water.

An amount of **Rs.43.08 lakhs** under TSP is proposed to implement the scheme during 2016-17

#### **Horticulture**

An amount of **Rs.5346.72 lakhs** is proposed under TSP in the budget estimates of the financial year 2016-17, for implementing various agricultural programmes of the department under Centrally Assisted State Plan Schemes and NSP.

## **Schemes under Normal State Plan**

### **1. Micro Irrigation**

To provide mandatory and Additional state share as per the subsidy pattern followed in the state under per drop more crop scheme, the budget of **Rs.1868.00 lakh** is allocated during 2016-17 towards mandatory and additional state share.

### **2. Construction of Poly Houses:**

After formation of Telangana, the government has taken a major initiative and sanctioned a new scheme on establishment of Poly houses in Telangana under state plan with 75 % subsidy with the Objectives of Enhancing productivity per unit area, Promotion of high value Horticulture crops under Poly houses, Year round production of flower & Vegetable crops and Sustainable income to farmers. The scheme is being implemented with a min of 200sqm and upto a max of 3.00 acres (preferably farmers with 0.5 to 1.0 acre) to reach all categories of farmers. The farmers are given choice for construction of poly houses on their own or through 41 companies. The scheme is being implemented in the entire state for vegetables and flowers. Besides construction of poly houses, from 2016-17, it is proposed to implement the other components like shade net houses, walk-in tunnels for off season cultivation of vegetables with low cost technology & mulching to conserve moisture & suppress the weed growth.

From 2016-17, the Government is considered to provide 95% subsidy to ST farmers for the above components which is the first of its kind in the country. An amount of **Rs.1816.00 lakhs** is allocated for the scheme.

## **Schemes under Centrally Assisted State Plan Schemes -60:40**

### **3. Per Drop More Crop:**

Special project on Micro Irrigation was under implementation in Telangana as a centrally assisted state plan scheme. The scheme is now implemented under PMSKY – Per drop More crop with 60:40 ratio. So far a total area of 5.50 lakh ha was brought under Micro Irrigation in Telangana by covering 5.56 lakh farmers. The balance available potential area is 11.62 lakh ha. The objectives of the scheme are Productivity enhancement & quality improvement, Improving water & fertilizer use efficiency, Improving energy & labour efficiency and to Produce more with less water.

After formation of Telangana, recognizing the importance of micro irrigation, the subsidy is extended from 1.0 ha to 5.0 ha to all categories of farmers to the earlier limitation of Rs. 1.0 lakh subsidy per family with coverage of 1.0 ha, by meeting the additional subsidy from state budget.

All category farmers in revenue village irrespective of their economic status are eligible for drip irrigation / micro irrigation system upto 5 ha or land holding possessed by the farmers in the Title Deed, whichever is less. The maximum subsidy allowed is Rs.6.25 lakh. All ST Farmer are eligible for 100% subsidy. Portable sprinklers for all category farmers are eligible for 75% subsidy limited to 1ha unit only (i.e., 25 pipes of 6m length each, 5 Risers with Nozzles and other accessories).The farmer once availed subsidy under MIP is eligible for fresh sanctions after a period of 5 years instead of 10 years previously. Mini sprinklers are encouraged in large scale for Onion crop to become self sufficient in onion

production. An amount of **Rs.1008.72 lakhs** is allocated for the scheme.

#### **4. Mission for Integrated Development of Horticulture (MIDH)**

The State Horticulture Mission launched under National Horticulture Mission is now subsumed under Mission for Integrated Development of Horticulture (MIDH) during XII plan period.

The Scheme is being operated with the financial assistance of GOI 60% & State 40%.

The main objectives of the scheme are to Promote holistic growth of horticulture sector, including bamboo and coconut through area based regionally differentiated strategies, which includes research, technology promotion, extension, postharvest management, processing and marketing, in consonance with comparative advantage of each State/region and its diverse agro-climatic features; Encourage aggregation of farmers into farmer groups like FIGs/FPOs and FPCs to bring economy of scale and scope; Enhance horticulture production, augment farmers, income and strengthen nutritional security; Improve productivity by way of quality germ plasm, planting material and water use efficiency through Micro Irrigation. Support skill development and create employment generation opportunities for rural youth in horticulture and post harvest management, especially in the cold chain sector.

Major activities are Establishment of New Gardens, Rejuvenation of senile gardens, Protected Cultivation, Centre of Excellence, Organic farming, Farm mechanization, Post Harvest Management and HRD, etc with different patterns of subsidy.

The assistance depends on component & varies from 35 to 75%. An amount of **Rs.653.80 lakh** is allocated for the scheme.

## **Animal Husbandry**

The Budget Estimates for the year 2016-17 is Rs.397.50 lakhs. The BE allocated for schemes under Normal state plan (NSP) is **Rs.152.24 lakhs** and under CASPS is **Rs.245.26 lakhs**. The following schemes are proposed to be taken up during the year.

### **Schemes under Normal State Plan**

#### **1. Incentives for Milk Production:**

The Government have issued orders to provide Rs.4.00 as incentive per liter of milk procured by the AP/TS DDCF and the scheme is implemented from 01.11.2014.

The Managing Director has informed that, the milk procurement has increased from 1.27 lakh liters per day to 5.10 lakh liters per day registering growth rate of 300.27% from the date of announcement of Rs.4.00 incentive. Due to good response to the programme, the Government have allocated **Rs.152.24 lakhs** for the year 2016- 17 under TSP to benefit the rural farmers and also to reduce the cost of milk production and also to encourage more number of farmers will come forward to take up this activity.

### **Schemes under Centrally assisted State Plan Schemes**

#### **2. Veterinary services and Animal Health (Rashtriya Pashudhan Vikas Yojana):**

Under the Scheme Rashtriya Pashudhan Vikas Yojana there are two major programmes are continuing with different funding pattern. Under the programme, the Animal Husbandry Department will take up production of vaccines, mass vaccination programmes to protect the Livestock of Telangana state.

1. Veterinary Services and Animal Health

2. National Livestock Management Programme:

The Government have allocated **Rs. 245.26 lakhs** under TSP of plan schemes as state and central share for implementation of Centrally Assisted State Plan Schemes by assuming the Government of India will release about Rs.122.63 lakhs on 50:50 sharing pattern.

## **II. Rural Development**

The Budget Estimates for the year 2016-17 is **Rs.99866.41 lakhs**. The BE allocated for schemes under Normal state plan (NSP) is **Rs.60352.41 lakhs** and under CASPS is **Rs.39514.00 lakhs**. The following schemes are proposed to be taken up during the year.

### **Schemes under Normal State Plan**

#### **1. Interest free loans to DWCRA Women (Vaddileni Runalu):**

The aim of the programme is to enable the rural poor households in accessing adequate formal credit at their doorsteps through their membership in SHGs. The credit worthiness of these groups, which are otherwise unbanked and having no collaterals, have been built on their group discipline, repayment culture and accumulated corpus funds and this resulted in SHG Bank linkage programme, under which, SHGs are being provided with credit by service area banks as per Micro Credit Plans of SHGs. With a view to reduce the interest burden on the loans taken by SHGs from banks/ Streenidhi Credit Co-operative Society, for taking up farm and non-farm livelihood and other micro enterprise activities and thus improving the sustainability of these activities, to encourage the

repayment among the SHG members and to improve the profitability of SHGs, Vaddileni Runalu (Full Interest Subvention) is being implemented. An amount of **Rs.608.24 lakhs** is allocated for this scheme.

## **2. Aasara pensions to disabled persons:**

An amount of **Rs.8740.84 lakhs** is allocated for pensions to ST disabled persons under this scheme.

## **3. Aasara pensions to old aged persons and widows:**

An amount of **Rs.49972.08** lakhs for pensions to senior citizens and widows under this scheme.

## **4. Assistance to SERP:**

SERP (Society for Elimination of Rural Poverty) has been working towards rural poverty eradication in the erstwhile state for the last fourteen years through IKP (Indira Kranthi Patham), a state-wide community driven project. The main objective is to enable the rural poor in the state, particularly the poorest of the poor (PoP), to improve their livelihoods and quality of life and following them up till they come out of poverty. The PoP and Poor households have been identified using the participatory identification tools and different interventions were planned and implemented to achieve the above stated goal.

As a result of the untiring efforts of SERP, presently there are 47,30,699 members in 4,16,324 SHGs of women in Telangana. A total of 18,045 Village Organizations (VOs), 443 Mandal Samakhyas (MSs) and 9 Zilla Samakhyas have come into being in 9 districts. Micro-Credit considered a major panacea in poverty alleviation is

being facilitated by IKP through linking of loans with various nationalized and regional banks. It has been proved beyond doubt that the investments in poor people's institutions and establishing social capital in the villages produce spectacular returns and impacts not just the poverty levels but the entire eco-sphere in the rural households with the women becoming equal partners in the management of the family and in many cases becoming the prime movers by bringing in affordable credit to the household through the SHG-Bank Linkage programme. In addition, SERP has been playing a pivotal role in implementing various novel schemes of both human development and livelihood enhancement thus addressing the social and economic needs of the poor.

An amount of **Rs.1031.25 lakhs** is allocated towards assistance to SERP under which the following schemes are proposed. Formation of small ruminant groups, Back yard poultry rearing, Formation of vegetable and gram producing groups, Balabadies and Mobile Nutrition centres in Chenchu pentas are some of the schemes under the assistance to SERP programme.

## **Schemes under Centrally assisted State Plan Schemes**

### **5. Mahatma Gandhi National Rural Employment Guarantee Act**

The Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) was notified on September, 2005. The Act provides a legal Guarantee of 100 days of wage employment in a financial year to every rural household whose adult members volunteer to do unskilled manual work at the minimum wage rate notified for agricultural labour prescribed in the State or else an unemployment allowance. **32. SCA to Tribal Sub Plan:** The economic development programs include staff cost of ITDAs, and Grants-in-Aid under State Plan as well as Special Central Assistance for developmental activities. The staff programs include administrative management of certain office staff of ITDAs, Agricultural demonstration units, HNTCs in the ITDAs and monitoring units in the ITDAs. Under this financial assistance is given to ST families below poverty line for taking up economic support activities. During 2016-17, **Rs.4000.00 lakhs** is allocated for the above purpose.

**33. Vanabandhu Kalyana Yojana:** The Govt. of India funded programme aims at developmental programmes such as Employment and Training, Livelihoods, Education to (3) I.T.D.A,

Districts. For the year 2015-16 Rs:7.20 cr allocated. During 2016-17 **Rs:918.00 lakhs** is proposed.

**34. Umbrella Scheme for Education of ST students:** New scheme in the name of Umbrella scheme has been introduced from the year 2014-15 by Govt. of India and all the earlier schemes of Centrally Sponsored Schemes of education have been brought under this scheme.

**35. FAST - (MTF) under CASPS :** Objective of the scheme to provide financial assistance in the form of scholarships and stipends to STs pursuing higher education. The BE allocated is **Rs. 3598.00 lakhs** for the year 2016-17 to meet the expenditure for Post Matric Scholarships (**CASPS**)

**36. Tribal Sub Plan of Other Departments (NSP) :** In order to bring socio economic indices of STs at par with general population, the Govt. of India has formulated the TSP strategy wherein proportionate percentage (w.r.t. ST population) of the financial allocations of the state plan budget are to be earmarked as Tribal Sub Plan funds. Accordingly, in Telangana the same approach has been adopted as against 9.08% of ST population the allocations were proportionately made as TSP budget. The TSP allocations are made across line departments amounting to **Rs.617115.10 lakhs** out of which **Rs.149462.00 lakhs** under Normal State Plan of other departments has been allocated to Tribal Welfare Department to implement the schemes.

## **VII. Social Security and Welfare**

### **Women Development and Child Welfare**

The Budget Estimates for the year 2016-17 is **Rs.11928.10 lakhs**. The BE allocated for schemes under Normal state plan (NSP) is **Rs.5504.61 lakhs** and under CASPS is **Rs.6423.49 lakhs**. The following schemes are proposed to be taken up during the year.

#### **Schemes under Normal State Plan**

**1. Arogyalakshmi – One full meal programme for pregnant and lactating women:** Under this program, one full meal consisting of Rice, Dal (Dal with leafy vegetables, Sambar) / Veg curry, one boiled egg and 200 ml milk will be provided to all the pregnant and lactating women at each AWC at least for 25 days a month. Since malnutrition starts in early stages of life i.e. from birth upto 2-3 years and it is irreversible beyond the age of 3 years, the State Govt. in the first instance has given thrust to improving the nutritional status of Pregnant and Lactating women. This is proposed to be followed by at least 3 major initiatives i.e., (a) introducing health intervention for tackling anemic pregnant women, (b) improvement of nutrition component of ICDS for 7 months to 6 years and (c) finally tackling anemia among adolescent girls by providing IFA Tablets. **3. Amruthahastham:** An amount of **Rs.863.10 lakhs** is allocated for the scheme.

### **Schemes under Centrally Assisted State Plan Schemes**

**4. Integrated Child Protection Scheme:** This scheme aims to eliminate prejudice against the Girl Child through direct investment from Government. It also strives to encourage enrolment of the Girl Child in school and to ensure her education at least up to postpone the marriageable age 18 years (which is the prescribed statutory limit). The ICPS will provide preventive, statutory, Care and Rehabilitation services to vulnerable children including those from potentially vulnerable families and families at risk, children of socially excluded groups like migrant families, families living in extreme poverty, families subjected to or affected by discrimination, minorities, children infected and/or affected by HIV/AIDS, orphans, child drug abusers, children of substance abusers, child beggars, trafficked or sexually exploited children, children of prisoners, street & working children. An amount of **Rs.118.19 lakhs** is allocated for the scheme.

**5. Integrated Child Development Services (ICDS):** ICDS programme is also implemented under CASPS for which an amount of **Rs.2797.56 lakhs** is allocated. The Scheme is one of the Flagship programmes of Government of India and provides a package of health, nutrition and education services to Women and Children. The AWC as an institution at the Village level has to cater to the Nutrition of Children in the age group of 6 months to 6 years, pregnant and Lactating Women, Adolescent Girls, Pre-School for

Children in the age of 3 years to 6 years besides other services related to Women and child Development. The Pre-School is being strengthened so that it could help in school preparedness and serve as feeder to primary school enrollment under SSA.

**6. Nutrition Programme:** The allocation for Nutrition programme under CASPS of Women development and child welfare department is **Rs.3507.54 lakhs**.

#### **Disabled welfare**

Under TSP 2016-17 an amount of Rs.16.83 lakhs is allocated towards the disabled welfare for implementation of following (2) schemes under NSP.
