**General Instructions:**

18. The expenditure refers to the estimated expenditure provided in the BE for spending current year on routine financing of the Government. The items which are said to be committed expenditure are Salary, Pensions, Subsidies, Interest Payment, Non-Salary items viz., Utility payments, Maintenance, Repayment of borrowings, etc.

19. Experience shows that every year many Departments are furnishing the estimates in a routine manner without examining the need for the continuation of the scheme and justification for the provisions claimed by the Departments. Expenditure management policies and strategies should normally ensure that every rupee budgeted is well spent in such a way that it captures efficiency in expenditure, provides incentives to rationalize expenditure and is driven by need rather than by the spirit of incremental increase in allocation with regard to programe year on year. The total expenditure irrespective of revenue or capital must generate value for the public.

20. All the Heads of Departments and Other Estimating Officers are requested to review the existing committed expenditure very critically, so that those expenditure which do not serve any tangible purpose substantially shall be dropped or phased out or reduced.

(i) The provisions for Dearness Allowance, Leave Travel Concession, House Rent Allowances, Encashment of Earned Leave, Medical Reimbursement etc., shall be included under respective sub-detailed heads under "O10-Salaries".

(ii) The estimates for contingent expenditure shown under "Office Expenses" should be prepared with reference to the instructions laid down in para 13.16 of the Budget Manual. Details of the items of expenditure included, detailed reasons. Proper attention must be paid while estimating water and electricity charges, revise which should take into account of pending arrear bills, the increase in tariff rate etc. , and provision for the amounts that will become payable in the year. Wherever arrears are included, detailed reasons together with figures shall be furnished in the explanatory note.

21. The attention of Estimating Officers is invited to the following special points:

(i) **Date of submission of Estimates:** All estimates should be submitted to the Administrative Departments of Secretariat concerned through on-line not later than **11<sup>th</sup> January, 2019**. The Administrative Departments of Secretariat shall forward the estimates with their comments to the Finance Department by **18<sup>th</sup> January, 2019** at the latest. Experience has shown that in-spite of clear instructions, the Budget proposals in most of the cases are sent very late. Steps should, therefore, be taken to ensure that the dates prescribed above are strictly adhered to. If estimates are received after **18<sup>th</sup> January, 2019**. Finance Department will not be able to intimate any changes made in the estimates of Departments as there will not be sufficient time for considering representations against changes effected by this Department.

(ii) **Accuracy and authority for estimates:** It will be the responsibility of the Heads of Departments and Other Estimating Officers to see that no omissions or deviations are made in making provisions for any sanctioned

scheme or any other item of expenditure covered by sanction of the competent authority for which provision sought to have been made in Part-I of the Budget Estimates (sanctioned item). **Similarly no provision should be made in Part – I of the Estimates, for any item of expenditure for which no sanction of Government exists.** Provision should be made in the Budget Estimates for the coming year for all sanctioned schemes but not for schemes of new service, which have been submitted to Government but not yet sanctioned. It has, however, been observed that the above procedure is not being followed by some Heads of Departments, who have been including provisions in the Budget Estimates for schemes which have not been sanctioned by Government. Departments have also been requested not to propose heavy increases in the existing provisions in the normal budget estimates without obtaining prior sanction of the Government. The Heads of Departments and Other Estimating Officers are requested to observe the instructions in para 13 .9 of the Budget Manual scrupulously while submitting the RE 2018-19 and Budget Estimates 2019-20. While minor increases based on trends of actual and admitted needs may be allowed, increases involving substantial amounts proposed over the existing provisions should be supported by Government orders sanctioning the increase duly enclosing copies of the relevant Government orders. Provision included in the Budget Estimates for the schemes which have not been sanctioned by the Government are liable to be summarily rejected and no correspondence will be entertained on this account.

- (iii) **Contract Appointments:** The Heads of Departments / Estimating Officers shall ensure that sufficient provisions are made under the detailed head 301 contract appointments & 302 outsourcing Engagements towards payment of remuneration to the persons engaged on contract & outsourcing basis respectively. They are requested to furnish the relevant orders issued by the competent authority for engaging the persons on contract/ outsourcing basis while proposing provision in the Budget. They shall also furnish calculation sheet consisting of rate of contract, period of contract, number of persons engaged on contract/ outsourcing and the total amount required towards payment of remuneration in respect of each sanction order based on which they are proposing provision in the Budget.

- (iv) **Explanations for variations in figures:** Estimating Officers are requested to furnish brief and clear explanations for Revised Estimates of the current year and the Budget Estimates for coming year under Receipts and Expenditure. They are informed that in the absence of explanations, any increase of expenditure, is liable to be summarily rejected. While submitting the estimates, the variations, if any, in the estimates and those already furnished by the Estimating Officers should be explained in detail with reference to the orders sanctioning the additional staff etc.
- (v) **Estimates for Works:** Provision should be made in Part-I of the Budget for works which have been sanctioned by the Government or the competent authority. All the Engineer-in chiefs / Chief Engineers are requested to give full information as to whether the works for which provision is included by them in the Budget Estimates 2019-20 are for repairs to the existing buildings etc., or new works or works in progress and whether the works have been sanctioned by the Government or competent authority. The number and date of order sanctioning each work, the amount of estimate both the original and the revised; the total expenditure incurred on the work to the end of the preceding financial year; and the amount required for expenditure during the next financial year should invariably be given in the remarks accompanying the Budget Estimates. If complete information is not furnished in **proforma- G** prescribed, in the case of any particular work, the provision proposed for will be omitted by the Finance Department.
- (vi) The Heads of Departments are requested to ensure that the amounts allocated for supply of uniform to the "Office Subordinates" under the detailed head "250 Clothing, Tentage and Stores" shall be utilized for the same purpose without diverting for other purposes.
- (vii) **Provisions under grants-in-aid:** Particulars, as per para 13.12. 1 of the Budget Manual, should invariably be furnished while sending the estimates. Statement showing details of charges and income of the institution receiving grants-in-aid for the previous years should also be furnished. While furnishing the estimates under grants-in-aid, the Heads of Departments and Other Estimating Officers are requested to open the sub-

detailed heads "311-Grants-in-aid towards salaries", "312-Other Grants-in-aid" and provide the amounts separately under the above sub-detailed heads of account.

- (xvii) Where any expenditure is dependent on finance from outside the State like Government of India, NABARD, JICA etc., estimates should be based only on the last year's actual releases to the State or on the basis of actual need whichever is lower and not on hypothetically assumed figures. In such cases, it is necessary to indicate specifically whether the entire amount or only a part of the amount is reimbursable from these agencies and whether this amount has been taken credit in their estimates of Revenue.

(xviii) **Scrutiny of estimates by the Administrative Department of Secretariat:** The Administrative Departments of Secretariat are requested to scrutinize the estimates of the Departments under their control and forward to this Department with their comments thereon. The object of examination by the Administrative Departments is to detect excessive or inadequate provision in the Budget Estimates which they are in a position to do in a better way in view of their more intimate knowledge of working of the Departments under their administrative control.
