2. G.O.Ms.No.664, Finance (BG) Department, dt.27-10-2001.

RECEIPTS:

2. According to para 13.8 of Budget Manual, the HODs and Other Estimating Officers should prepare budget estimates for receipts based on the existing rates of taxes, duties and fees etc., and no increase or reduction in such rates which has not been sanctioned by the Government should be proposed. The information shall be furnished in the enclosed **proforma – A**.

3. All the Heads of Departments and Other Estimating Officers are requested to furnish proposals Budget Estimates 2015-16 in respect of Revenue Receipts and Loan Receipts with which they are concerned by giving full details of targets fixed as per performance indicators for each department.

NON – PLAN:

4. According to para 13.9 of Budget Manual, the HODs and Estimating Officers shall make provisions for all sanctioned schemes, but not for schemes of new expenditure which has been submitted to the Government but not yet sanctioned. Information shall be furnished in **proforma-B1**.

5. Experience shows that every year many Departments are furnishing the estimates in a routine manner without examining the need for the continuation of the scheme and justification for the provisions claimed by the Departments. In view of the Re-organisation of the State, it has been decided to make a thorough review of the budget proposals furnished by the Departments. The Heads of Departments and other Estimating Officers are, therefore, requested to furnish the following information without fail in the column – 5 of **proforma - B1** provided for recording **justification**.

- (a) The objectives of the Scheme or work of the Department;
- (b) Relevance of the programme to the over all objective in the present context;
- (c) The consequences of its non-funding.

6. All the Heads of Departments and Other Estimating Officers are also requested to review the existing Non-Plan Schemes very critically, so that those schemes which do not serve any tangible purpose substantially are dropped or phased out or reduced.

7. (i) The provisions under the concerned detailed heads i.e., standard objects of expenditure shall be included keeping in view of the guidelines indicated in references 4th read above. The provisions for Dearness Allowance, Interim Relief, Leave Travel Concession, House Rent Allowances, Encashment of Earned Leave, Medical Reimbursement etc., shall be included under respective sub-detailed heads under “010 Salaries”.

(ii) The estimates for contingent expenditure shown under “Office Expenses” should be prepared with reference to the instructions laid down in para 13.16 of the Budget Manual. Details of the items of expenditure included, detailed reasons. Proper attention must be paid while estimating water and electricity charges which should take into account pending arrear bills, the increase in tariff rate etc., and provision for the amounts that will become payable in the year. Wherever arrears are included, detailed reasons together with figures would be furnished in the explanatory note.

PLAN :

8. The Heads of Departments and Estimating Officers are requested to see with particular care that provisions relating to schemes included in the Plan 2015-16 which is relevant to the State of Telengana only are exhibited separately and distinctly under ***Plan Estimates***. As the Plan Schemes will also be subjected to pre-budget scrutiny on the lines to be indicated by the Finance Department, the estimates may be prepared with as much care as in the case of non-plan estimates. Provisions proposed for plan expenditure should under no circumstances be mixed up or merged with Non-Plan provisions. The estimates should conform to the ceiling communicated by the Planning Department for Budget Estimates 2015-16 (**proforma – B2**).

New Schemes:

9. In the case of new schemes introduced during the year, the dates of introduction and the estimated expenditure for the current year should be mentioned in the remarks column. If provision is included in the Revised Estimates for the current year for any new item of expenditure not provided for in the Budget Estimates of the year it should be clearly stated in the 'Remarks' column whether it has been sanctioned by the competent authority and if so, the number and date of the proceedings sanctioning the expenditure should be quoted in every case (**proforma –B3 for Non-Plan – B4 for Plan**).

FRBM Rules, 2006:

10. As per rule 6(1) of FRBM Rules, 2006 the State Government shall at the time of presenting the Budget make following disclosures as required under Section 10 of FRBM Act 2005.

- (i) *Form D-7 Statement of Assets (proforma – D).*
- (ii) *Form D-8 Tax Revenues raised but not realized (proforma – E).*
- (iii) *Form D-9 Statement of Miscellaneous liabilities outstanding (proforma – F).*

11. All the Heads of Departments and Estimating Officers are therefore requested to furnish the relevant information in the prescribed proformae appended to this order along with the Budget Estimates 2015-16 invariably as these statements have to be presented to the Legislature.

12. The attention of Estimating Officers is invited to the following special points:

- (i) ***Date of submission of Estimates:*** All estimates should be submitted to the Administrative Departments of the Secretariat concerned through on-line not later than **9th January,2015**. The Administrative Departments of Secretariat would forward the estimates with their comments to the Finance Department by **17th January,2015** at the latest. Experience has shown that inspite of clear instructions, the Budget proposals in most of the cases are sent very late. Steps should, therefore, be taken to ensure that the dates prescribed above are strictly adhered to. If estimates are received after **17th January,2015**. Finance Department will not be able to intimate any changes made in the estimates of Departments as there will not be sufficient time for considering representations against changes effected by this Department.
- (ii) ***Accuracy and authority for estimates:*** It will be the responsibility of the Heads of Departments and Other Estimating Officers to see that no omissions or deviations are made in making provisions for any sanctioned scheme or any other item of expenditure covered by sanction of the competent authority for which provision sought to have been made in Part- I of the Budget Estimates (sanctioned item). ***Similarly no provision should be made in Part – I of the Estimates, for any item of expenditure for which no sanction of Government exists.*** Provision should be made in the Budget Estimates for the coming year for all sanctioned schemes but not for schemes of new service, which have been submitted to Government but not yet sanctioned. It has, however, been observed that the above procedure is not being followed by some Heads of Departments, who have been including provisions in the Budget Estimates for schemes which have not been sanctioned by Government. Departments have also been requested not to propose heavy increases in the existing provisions in the normal budget estimates without obtaining prior sanction of the Government. The Heads of Departments and Other Estimating Officers are requested to observe the instructions in para 13.9 of the Budget Manual scrupulously while

submitting the RE 2014-15 Budget Estimates 2015-16 and budget. While minor increases based on trends of actuals and admitted needs may be allowed, increases involving substantial amounts proposed over the existing provisions should be supported by Government orders sanctioning the increase duly enclosing copies of the relevant Government orders. Provision included in the Budget Estimates for the schemes which have not been sanctioned by the Government are liable to be summarily rejected and no correspondence will be entertained on this account.

- (iii) ***Contract Appointments:*** The Heads of Departments / Estimating Officers shall ensure that sufficient provisions are made under the detailed head “ 300- Other Contractual Services” towards payment of remuneration to the persons appointed on contract/outsourcing basis. They are requested to furnish the relevant orders issued by the competent authority for engaging the persons on contract/outsourcing basis while proposing provision in the Budget. They shall also furnish calculation sheet consisting of rate of contract, period of contract, no. of persons engaged on contract, outsourcing and the total amount required towards payment of remuneration in respect of each sanction order based on which they are proposing provision in the Budget.
- (iv) ***Explanations for variations in figures:*** Estimating Officers are requested to furnish brief and clear explanations for Revised Estimates of the current year and the Budget Estimates for coming year under Receipts and Expenditure. They are informed that in the absence of explanations, any increase of expenditure, is liable to be summarily rejected. While submitting the estimates, the variations, if any, between number and designation of the staff for which provision is made in the estimates and those already furnished by the Estimating Officers in the number statements should be explained in detail with reference to the orders sanctioning the additional staff, etc.
- (v) ***Estimates for Works:*** Provision should be made in Part – I of the Budget for works which have been sanctioned by the Government or the competent authority. All the Chief Engineers are requested to give full information as to whether the works for which provision is included by them in the Budget Estimates 2015-16 are for repairs to the existing buildings etc., or new works or works in progress and whether the works have been sanctioned by the Government or competent authority. The number and date of order sanctioning each work, the amount of estimate both the original and the revised; the total expenditure incurred on the work to the end of the preceding financial year; and the amount required for expenditure during the next financial year should invariably be given in the remarks accompanying the Budget Estimates. If complete information is not furnished in **proforma- G** prescribed, in the case of any particular work, the provision proposed for will be omitted by the Finance Department.
- (vi) ***The Heads of Departments are requested to ensure that the amounts allocated for supply of uniform to the “Office Subordinates” under the detailed head “250 Clothing, Tentage and Stores” shall be utilized for the same purpose without diverting for other purposes.***
- (vii) The Estimates should be prepared only on the basis of existing sanctions and should not provide for any new scheme proposed for the consideration of the Government.

- (viii) **Provisions under grants-in-aid:** Particulars, as per para 13.12.1 of the Budget Manual, should invariably be furnished while sending the estimates. Statement showing details of charges and income of the institution receiving grants-in-aid for the previous years should also be furnished in the prescribed proforma along with the Number Statements showing the staff position, their scales of pay, etc., While furnishing the estimates under grants-in-aid, the Heads of Departments and Other Estimating Officers are requested to open the sub-detailed heads “311- Grants-in-aid towards salaries”, “312- Other Grants-in-aid” and provide the amounts separately under the above sub-detailed heads of account. In the absence of Number Statements showing the full particulars, scale of pay etc. the estimates under grants-in-aid towards salaries will not be considered.

In such cases, it is necessary to indicate specifically whether the entire amount or only a part of the amount is reimbursable from these agencies and whether this amount has been taken credit in their estimates of Revenue.
- (xvii) ***Scrutiny of estimates by the Administrative Department of Secretariat:*** The Administrative Departments of Secretariat are requested to scrutinize the estimates of the Departments under their control and forward to this Department with their comments thereon.
