

## **FIRST PAY REVISION COMMISSION, TELANGANA STATE**

### **QUESTIONNAIRE**

#### **BACK GROUND**

The Government of Telangana recently constituted First Pay Revision Commission. Its terms of reference include evolution of principles which may govern the structure of emoluments and the conditions of service taking into account the total packet of benefits available to the employees of the State Government, Local Bodies, Aided Institutions and Non-teaching staff of Universities.

The Pay packets for the Government employees include Basic Pay and compensatory Allowances. The main compensatory allowances are Dearness Allowance, House Rent Allowance and City Compensatory Allowance. The Dearness Allowance compensates rise in the cost of living index which is being sanctioned based on the increase in the twelve monthly moving average of the All India Consumer Price Index for the Industrial Workers computed by the Labour Bureau, Simla. The House Rent Allowance compensates the expenditure incurred by the Government employees on Housing. The City Compensatory Allowance compensates higher cost of living index in cities. In addition there are special allowances where the employees are supposed to perform special nature of duties including those working in interior places, unhealthy localities, hill areas, tribal areas etc. The Special Pays are sanctioned where the job requires special skills or the job involves arduous nature of duties or for specific addition to work. It is pertinent to note that the quantum of these Special pays and allowances should adequately compensate the extra duties or for the arduous nature of the job, but at the same time they should not disturb the salary structure.

The successive Pay Revision Commissions constituted by erstwhile State of A.P. evolved the pay structure of the employees after thoroughly reviewing the pay scales evolved by earlier Pay Revisions. An Anomalies/Regrouping Committee followed the 1986 Pay Revision and Anomalies Committees followed the 1993, 1999, 2005, 2010 and 2014 Pay Revisions.

The concept of Master Scale was first time introduced in the 1993 by the Pay Revision Commissioner. The rate of increment is the same at a given pay point in the Master Scale irrespective of the scale and it also confers relatively higher benefits on the employees with longer service. The Pay Scales are only segments of the Master scale. The Master Scale was devised with a view to providing the seniors with greater benefits.

The successive Pay Revision Commissions of erstwhile State of A.P. continued the concept of the Master Scale. Among others, the last Pay Revision Commission recommended for:

- The minimum pay Rs.13000/- and the maximum pay as Rs.110850 and thus the ratio between minimum and maximum worked out to 1:8.31
- Continuance of the Master Scale progressively rising incremental increases.
- Continuance of the Automatic Advancement Scheme consisting of 6, 12, 18 and 24 years as it serves the larger interests of the Government employees.
- Continuance of Special Pays and other allowances keeping the settled and adopted criteria by the earlier Commissions in view.
- Sanction of five stagnation increments.

Now the following QUESTIONNAIRE is designed to elicit your views on the pay structure and related matters which come under the purview of terms of reference of the Pay Revision Commission.

**FIRST PAY REVISION COMMISSION, TELANGANA STATE**  
**QUESTIONNAIRE**

**PART I**

**PAY, ALLOWANCES AND OTHER SERVICE CONDITIONS**

**A. GENERAL PRINCIPLES GOVERNING PAY SCALES AND ALLOWANCES**

In Government of India, based on the recommendations of 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup> PRCs, whenever the D.A. crosses 50% of the basic pay, it shall be treated as Dearness Pay and the compensatory allowance including D.A. will be calculated based on the Pay Plus Dearness Pay, pending constitution of P.R.Cs as P.R.Cs are usually constituted once in 10 years. The pensionary benefits are also calculated on Pay plus Dearness pay. The 9<sup>th</sup> P.R.C. of the erstwhile state of A.P. has also recommended that whenever the D.A. reaches 50% of Basic Pay, all allowances may automatically be increased by 25%, so that necessity for a P.R.C. at short intervals is eliminated. While the position in the centre is as stated above, in the erstwhile State of A.P., the PRCs were constituted almost once in 5 years. Majority of States are adopting the central pay scales to employees. In the context of the above position, the PRC would like to know your considered views on the following issues:

1. What is your view on the following?

(i) Minimum and Maximum Pay

(a) Minimum Pay: Rs.\_\_\_\_\_

(b) Maximum Pay: Rs.\_\_\_\_\_;

What's the rationale? and how are they arrived; (i.e.) the basis for arriving the minimum and maximum.

(c) Ratio between the Minimum and Maximum Pay, 1:\_\_\_\_. What's the rationale?

**2. Scale of pay:**

*As you are aware every post carries a scale of pay with a minimum of the scale, annual increments and maximum. The erstwhile State of A.P. Government introduced the concept of Master Scale, it is often said that with the introduction of the Master scale, the concept of pay scale does not have much relevance particularly, to those who are in service. But the craze for the pay scale continues and the demands for a higher scale of pay go on unabated. Very often the employees compare their scale with their counterparts and feel that they get a raw deal in the matter of pay scale. With this, the successive Pay Revision Commissions of erstwhile state of A.P. and the Anomalies Committees repeatedly analysing the pay scales.*

- (a) *The pay scale is sort of compensation or remuneration, but the employees seems to be giving much prominence to the pay scale? please indicate your view on this aspect.*
- (b) In your view what should be the parameters for determining a Pay scale for a particular category?
- (c) If you are representing a Service Association or heading a department what scales do you suggest for the categories you are representing or the categories under your control based on the parameters mentioned above. Give justification.

**3. Master Scale:**

- (a) *Do you suggest continuation of Master Scale concept?* Yes/No
- (b) If yes, do you suggest continuation (Tick any of the box indicating your view).  
 As it is  with modifications
- (c) In case you advocate for continuation with modifications what modifications you would like to suggest?
- (d) Are the existing 32 grades of scales of pay adequate? Yes/No
- (e) If 'No', how many grades of scales do you suggest?
- (f) The Seventh Central Pay Commission introduced the concept of Pay Matrix. The 10<sup>th</sup> Pay Revision Commission of erstwhile State of A.P. had also gone into this question and did not agree for adoption. Do you agree with the above view or else what do you suggest?
- (g) In case you advocate for implementation with modifications what modifications you would like to suggest?

**4. Fitment:**

- (a) In the Central Government, during the earlier pay revisions fitment used to be allowed for fixation of pay in the Revised Pay Scales. So is the case with the State Government. In the light of the above, what is your opinion on fitment?
- (b) Should it be (Tick your choice)

- i) A percentage of pay
- ii) Increments based on service
- (c) Quantum/percentage of fitment Rs.\_\_\_\_\_/\_\_\_\_\_%  
Increment.

### **5. Increment**

- (a) *State Government employees are now getting annual increment at the rates ranging from 2.48% to 2.985%. Do you think that this is alright?*

*Yes/No*

- (b) If your opinion is "No" then what should be the quantum of increment in your view? The rationale behind your suggestion may please be indicated.

- (c) The Central Government has introduced differential rate of increment linking it to performance. Do you suggest for adoption of the above system for the State Government employees also?

*Yes/No*

- (d) If your opinion is "Yes" then what is your suggestion for the yardstick to be followed to assess efficiency?

### **6. Common Categories**

*The common categories are those categories of posts which exist in almost all departments with similar nature of duties and qualifications such as posts belonging to Telangana State Last Grade Services, Telangana State Ministerial Services etc.*

- (a) Do you suggest for continuation of categorization of Common Categories?

*Yes/ No*

- (b) If yes do you suggest continuation (Tick any of the box indicating your view)

*As it is*  *with modifications*

- (c) In case you advocate for continuation with modifications what would be the modifications you suggest?
- (d) Are there any new posts that can be brought to common categories? Your suggestions.

**7. Stagnation increments**

- (a) According to one school of thought, the system of shifting the employee, when he reached the maximum of pay scale, to the next pay scale is good as it will give a satisfaction that the employee is in a better scale and also continue to draw increments uninterruptedly. In the light of this, do you support sanction of stagnation increments or shift to next scale on reaching the maximum of the scale? (Tick any of the box indicating your view)

Stagnation increments  Shift to next scale

- (b) If you support sanction of stagnation increments whether the existing provision of three increments is sufficient?

Yes/No

- (c) If "No" how many increments do you suggest?

- (d) *In case you advocate for continuation of stagnation increments with modifications what would be the modifications you suggest?*

- (e) *The sanction of stagnation increments is in vogue in erstwhile state of A.P. since a long time. It has been continued even after introducing Automatic Advancement Scheme with the periodicity was 8/16/24 years. Later, that periodicity has been revised to 6/12/18/24, which serves the larger interest of the employees, sanctioning of stagnation increments will not serve any purpose. More so, when it does not confer any additional benefits. Is there any justification for its continuance.*

*Please justify the necessity for continuance of the stagnation increments.*

- (f) *In case you support shifting to next scale, please give your justification.*

**8. Outsourcing staff:**

- (a) *In the context of Outsourcing of certain categories of staff do you support continuation of the existing system in addition to the staff working under Work Charged establishment /Daily Wage and contingent (full time/part time) establishment?*

Yes/No

- (b) If yes do you suggest continuation (Tick any of the box indicating your view)

As it is  with modifications

**FIRST PAY REVISION COMMISSION, TELANGANA STATE**

**B. AUTOMATIC ADVANCEMENT SCHEME**

The erstwhile Government of AP introduced Automatic Advancement Scheme in 1981. The successive Commissions recommended for continuance of the scheme suggesting some modifications and the scheme is being implemented duly carrying out the modifications recommended by the successive Pay Revision Commissions. The Central Government is also implementing the Career Advancement schemes which are almost similar to the Automatic Advancement scheme in vogue in the State Government.

9. (a) In view of the above, do you suggest for continuation of Automatic Advancement Scheme?

Yes/No

- (b) If yes do you suggest continuation (Tick any one of the box indicating your view)

As it is  with modifications

- (c) In case you advocate for continuation with modifications what the modifications you would like to suggest?

10. (a) Do you feel that the revised AAS consisting of 6/12/18/24 years concept is adequate.

Yes/No

*If yes.*

As it is  with modifications

- (b) If no, suggest the duration of service for allowing Automatic Advancement Grades?

11. (a) Do you support the existing system of limiting the promotion scales to the Special Promotion Posts I-A(after 12years), Special Promotion Posts I-B(after 18 years) and Special Promotion Posts II(after 24 years)?

Yes/No

- (b) If "no", what are your suggestions?  
(c) In case you advocate for continuation with modifications what modifications would you like to suggest?

**FIRST PAY REVISION COMMISSION, TELANGANA STATE**

**C. SPECIAL PAYS AND COMPENSATORY ALLOWANCES & MEDICAL FACILITIES ETC.**

It is a general phenomena that while assigning a pay scale, to a particular post, the qualifications, nature of duties, whether general or arduous nature of duties, areas of operation etc., are taken into consideration. The other argument is that the pay scale is assigned for normal duties and when the job requires special skills or arduous nature of duties or where the employee has to work in remote areas etc., there should be compensation by way of special pay or special allowance.

12. Which argument do you support?  
(Tick in one of the box indicating your view)

(a) Sanction of Separate Special Pay?

If yes, indicate the categories for which Special Pays are requested and quantum of special pay.

(b) Or the pay structure should take care of it?

If so what should be that pay structure, category-wise?
